

FEE INFORMATION FOR FAMILIES

1. Why fees are necessary?

The Department of Education and Training (DET) provides per capita funding as a contribution toward the costs of providing a four-year-old kindergarten program. Services meet the balance of costs through charging fees and fundraising activities.

DET provides a Kindergarten Fee Subsidy (see below) that enables children from eligible families to attend a four-year-old kindergarten program free of charge, or at a minimal cost.

DET also provides funding to assist eligible three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection, to access kindergarten programs.

Bellevue Kindergarten provides a range of support options to parents/guardians experiencing difficulty with payment of fees (see below).

2. How fees are set

As part of the budget development process, the Committee of Management sets fees each year for the programs of the service, taking into consideration:

- the financial viability of the service
- the level of government funding provided for the program, including the Kindergarten Fee Subsidy
- the availability of other income sources, such as grants
- the fees charged by similar services in the area
- the capacity of parents/guardians to pay fees
- reasonable expenditure in meeting agreed program quality and standards
- requirements of the Kindergarten Funding Guide (details available at www.education.vic.gov.au)

Fees set for the year are only reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point.

3. Other charges

Other charges levied by Bellevue Kindergarten are included on the Statement of Fees and Charges. These may include:

- **Security Deposit:** This payment secures a child's place at the service and is payable on acceptance of enrolment. The deposit is retained as payment of term one fees. Families eligible for the Kindergarten Fee Subsidy (see below) are required to pay a nominal amount as the deposit. Families experiencing hardship should also discuss any difficulties with the service. The Security Deposit is **non-refundable** in

the event of voluntary withdrawal or cancellation of a confirmed enrolment place.

- **Excursion/service event charge:** This additional charge may be required to cover the cost of excursions or special events that occur throughout the year in response to emerging children's program needs and interests. Affordability and relevance to the children's interests and the service program will be taken into consideration before a decision is made that will require families to pay this additional charge (refer to Excursions and Service Events Policy). Events that are planned ahead are included as an expenditure item in the service's budget and do not incur this additional charge.
- **Refundable Maintenance Levy:** The participation of parents/guardians is encouraged by the service and can help to keep costs more affordable. However not all families are able to assist at the service. A refundable maintenance levy system has been introduced by the service and replaces voluntary labour with paid labour. Payment will be refunded to parents/guardians on participation in specified activities which may include committee membership, working bees, maintenance and gardening or other significant contribution to the running of the Kindergarten. The levy is not intended to be a barrier to participation and families experiencing difficulties should discuss this with the Kindergarten.
- **Late collection charge:** The Committee of Management reserves the right to implement a late collection charge when parents/guardians are frequently late in collecting a child from the service. This charge will be set at a level determined by the Committee of Management.

4. Statement of fees and charges

A statement of fees and charges for the current kindergarten year will be provided to families on enrolment.

5. Fundraising

Not all service costs are covered by DET per capita funding and the fees charged. Fundraising is undertaken to meet the balance and/or pay for additional items for the service. While participation in fundraising is voluntary, the support of every family is encouraged. Fundraising activities are also an opportunity for families and communities to come together.

Fees will be invoiced to parents/guardians directly and must be paid by the date indicated on the invoice. Each invoice will be accompanied by payment instructions. The first term's fees must be received in full prior to the child commencing at the service. For children enrolled after the commencement of a term, a pro rata invoice will be issued and must be paid in full within 14 days of the child's commencement at the service. - Where payment is still not received, families will be invited to attend a meeting to discuss the range of support options available and establish a payment plan.
- Failure to attend the meeting and continued non-payment may result in a second and final letter notifying parents/guardians that the child's place at the service may be withdrawn unless payment is made or a payment plan is entered into within a specified period of time. This letter will also include information on a range of support options available for the family.
- The Committee of Management will continue to offer support and will reserve the right to employ the services of a debt collector.
- If a decision is made to withdraw the child's place at the service, the parents/guardians will be provided with 14 days' notice in writing.

If a family becomes eligible for the Kindergarten Fee Subsidy during a term, a full refund of the applicable term fees (and Security Deposit, where appropriate) will be provided. Fees may still apply for programs offering more than the required minimum hours per week.

In any other case, fees are non-refundable (exceptional circumstances may apply – these are at the discretion of the Committee of Management). There will be no refund of fees in the following circumstances:

Full payment from the first day of Term 1 is required if a place is to be reserved for a child in the three- year-old kindergarten program. Children can only commence the program when they have turned three.

11. Support services

Families experiencing financial hardship often require access to family support services. Information on these services is available from the kindergarten service provider and a list can be supplied to those families who require it.

12. Notification of fee changes during the year

Fees set for the year would only be reviewed in extraordinary circumstances, for example, if attendance rates fall below the budget 'break even' point. Parents/guardians will be notified one term in advance of any required fee increase and will be offered the option to request a payment plan.
